

# The Breastplate of Righteousness

The Defensive Armor · The Armor of God

The breastplate protected the soldier's vital organs, particularly the heart. Righteousness serves as the believer's breastplate, guarding against Satan's accusations and attacks. This includes both imputed righteousness—Christ's righteousness credited to believers through faith—and practical righteousness—holy living that gives the devil no foothold. When Satan accuses, believers stand in Christ's perfect righteousness; when he tempts, they resist through righteous conduct that keeps conscience clear and provides no opening for his attacks.
