

# The Sword of the Spirit

The Offensive Weapon · The Armor of God

The sword (machaira) was the Roman soldier's close-combat weapon. The Word of God serves as the believer's offensive weapon—the only piece of armor designed for attack. 'Word' here is rhema (spoken word), emphasizing Scripture applied to specific situations. Jesus demonstrated this weapon's effectiveness in His wilderness temptation, responding to each satanic attack with 'It is written.' The sword must be known (through study), drawn (through memorization), and wielded (through application) to be effective against the enemy.
