

1 Chronicles 10:14

Authorized King James Version (KJV)

And enquired not of the LORD: therefore he slew him, and turned the kingdom unto David the son of Jesse.

Analysis

The theological center of Saul's failure was his failure to 'enquire of the LORD' (darash YHWH). This Hebrew phrase denotes more than casual prayer - it implies seeking divine guidance through proper covenantal channels. Saul consulted a medium instead (1 Samuel 28), violating Deuteronomy 18:10-12. The phrase 'therefore he slew him, and turned the kingdom unto David' reveals God's dual action: negative judgment and positive providence. Reformed theology sees here the doctrine of divine reprobation and election working in tandem. David's rise wasn't mere political fortune but God's ordained plan, pointing ultimately to Christ, the Son of David.

Historical Context

The Chronicler deliberately contrasts Saul's failure to seek God with David's consistent pattern of inquiry (see 1 Chronicles 14:10, 14). This served as a pointed lesson for post-exilic leaders facing decisions about rebuilding Jerusalem and temple worship - seek God's will through proper means.
