

1 Corinthians 16:1

Authorized King James Version (KJV)

Now concerning the collection for the saints, as I have given order to the churches of Galatia, even so do ye.

Analysis

Now concerning the collection for the saints—Paul introduces *logeia* (λογεία), a commercial term for collecting taxes or money, here sanctified for gathering relief funds for the impoverished Jerusalem church. This collection was crucial to Paul's theology of Gentile-Jewish unity in Christ, demonstrating that Gentile churches owed a debt to the mother church from which the gospel originated (Romans 15:26-27).

As I have given order to the churches of Galatia—The same systematic collection plan was implemented across Paul's mission field. This reveals Paul's organizational skill and his commitment to tangible expressions of the "fellowship of the saints" (*koinonia*). The Jerusalem collection occupies significant space in Paul's letters (2 Corinthians 8-9, Romans 15), demonstrating that practical Christian charity is inseparable from theological orthodoxy.

Historical Context

Paul wrote 1 Corinthians around AD 53-54 from Ephesus during his third missionary journey. The Jerusalem church faced severe poverty due to famine (Acts 11:28-29) and persecution. Paul's collection from Gentile churches served both humanitarian needs and theological purposes—proving that the Gentile mission produced authentic Christianity and fostering unity between ethnically divided communities.

Study Questions

1. How does systematic, planned giving differ from spontaneous charity, and what does Paul's organizational approach teach about Christian stewardship?
2. What does the collection for Jerusalem saints reveal about the relationship between doctrine and practical love?
3. How might modern churches foster unity across cultural and economic divides through intentional acts of generosity?
