

# 1 Corinthians 7:3

Authorized King James Version (KJV)

Let the husband render unto the wife due benevolence: and likewise also the wife unto the husband.

## Analysis

---

**Let the husband render unto the wife due benevolence**—the term *opheilēn* (ὀφειλήν, "what is due") indicates conjugal rights as a marital obligation, not optional affection. Paul uses reciprocal language: **and likewise also the wife unto the husband**, establishing complete mutuality in sexual relations—revolutionary in a patriarchal culture.

The phrase *tēn ophilēn* refers specifically to sexual intimacy, which Paul frames as a duty of love rather than selfish demand. This "due benevolence" (*eunoia* in some manuscripts, meaning "goodwill") emphasizes that marital sexuality involves generous giving, not mere obligation. Both spouses are to actively pursue the other's satisfaction.

Paul's teaching radically elevates the wife's rights, countering cultural assumptions of male dominance in sexual matters. Neither spouse may unilaterally withhold sexual intimacy, which would defraud the other (v. 5). This mutuality reflects the one-flesh union of Genesis 2:24 and anticipates Ephesians 5's picture of marriage mirroring Christ and the church.

## Historical Context

---

In Greco-Roman marriage, wives were expected to submit to husbands' sexual demands, while men frequently sought gratification elsewhere with concubines, prostitutes, or slaves. Jewish teaching emphasized the husband's obligation to

provide intimacy, but Paul's insistence on complete reciprocity was groundbreaking.

## Study Questions

---

1. How does Paul's emphasis on mutual obligation challenge selfish or one-sided views of marital intimacy?
2. What does it mean to approach conjugal relations with "benevolence" and generosity rather than mere duty?
3. How does this verse's reciprocity reflect the equality and mutual submission inherent in Christian marriage?
