## Analysis

---

**But me, even me thy servant, and Zadok the priest, and Benaiah the son of Jehoiada, and thy servant Solomon, hath he not called.**

This verse contributes to the broader narrative of Solomon's accession and Adonijah's rebellion, within the book's focus on succession narrative and establishment of Solomon's reign.

The Hebrew text reveals nuances important for understanding this passage's contribution to 1 Kings' theological message about kingship, covenant, and faithfulness to Yahweh. This verse demonstrates the consequences when God's people—especially their leaders—either follow or forsake the covenant established at Sinai.

## Historical Context

---

First Kings was written during or after the Babylonian exile (6th century BCE), reflecting on the monarchy period (10th-9th centuries BCE) to explain why the kingdoms fell. This passage describes events around 970 BCE during the transition from David to Solomon.

Ancient Near Eastern kingship ideology viewed kings as divine representatives responsible for maintaining cosmic order through right worship. Archaeological

discoveries from sites like Megiddo, Hazor, and Samaria confirm the historical reliability of 1 Kings' descriptions of building projects and administrative structures.
