

1 Kings 16:25

Authorized King James Version (KJV)

But Omri wrought evil in the eyes of the LORD, and did worse than all that were before him.

Analysis

But Omri wrought evil in the eyes of the LORD, and did worse than all that were before him.

This verse contributes to the broader narrative of kings of Israel: Elah, Zimri, Omri, Ahab, within the book's focus on spiritual decline of both kingdoms under various rulers.

The Hebrew text reveals nuances important for understanding this passage's contribution to 1 Kings' theological message about kingship, covenant, and faithfulness to Yahweh. This verse demonstrates the consequences when God's people—especially their leaders—either follow or forsake the covenant established at Sinai.

Historical Context

First Kings was written during or after the Babylonian exile (6th century BCE), reflecting on the monarchy period (10th-9th centuries BCE) to explain why the kingdoms fell. This period (c. 930-850 BCE) saw rapid succession and instability, especially in the northern kingdom.

Ancient Near Eastern kingship ideology viewed kings as divine representatives responsible for maintaining cosmic order through right worship. Archaeological discoveries from sites like Megiddo, Hazor, and Samaria confirm the historical

reliability of 1 Kings' descriptions of building projects and administrative structures.
