Authorized King James Version (KJV)

Thy silver and thy gold is mine; thy wives also and thy children, even the goodliest, are mine.

Analysis

Thy silver and thy gold is mine; thy wives also and thy children, even the goodliest, are mine.

This verse contributes to the broader narrative of Ahab's wars with Syria, within the book's focus on prophetic ministry of Elijah confronting Baalism.

The Hebrew text reveals nuances important for understanding this passage's contribution to 1 Kings' theological message about kingship, covenant, and faithfulness to Yahweh. This verse demonstrates the consequences when God's people—especially their leaders—either follow or forsake the covenant established at Sinai.

Historical Context

First Kings was written during or after the Babylonian exile (6th century BCE), reflecting on the monarchy period (10th-9th centuries BCE) to explain why the kingdoms fell. Elijah's ministry (c. 860-850 BCE) occurred during Ahab's reign, a time of intense spiritual crisis in Israel.

Ancient Near Eastern kingship ideology viewed kings as divine representatives responsible for maintaining cosmic order through right worship. Archaeological discoveries from sites like Megiddo, Hazor, and Samaria confirm the historical

reliability of 1 Kings' descriptions of building projects and administrative structures.
