

# 1 Kings 6:38

Authorized King James Version (KJV)

And in the eleventh year, in the month Bul, which is the eighth month, was the house finished throughout all the parts thereof, and according to all the fashion of it. So was he seven years in building it.

## Analysis

---

**And in the eleventh year, in the month Bul, which is the eighth month, was the house finished throughout all the parts thereof, and according to all the fashion of it. So was he seven years in building it.**

This verse contributes to the broader narrative of construction of the temple, within the book's focus on Solomon's wisdom, temple building, and tragic apostasy. The temple represents God's dwelling among His people and foreshadows Christ as Immanuel ('God with us').

The Hebrew text reveals nuances important for understanding this passage's contribution to 1 Kings' theological message about kingship, covenant, and faithfulness to Yahweh. This verse demonstrates the consequences when God's people—especially their leaders—either follow or forsake the covenant established at Sinai.

## Historical Context

---

First Kings was written during or after the Babylonian exile (6th century BCE), reflecting on the monarchy period (10th-9th centuries BCE) to explain why the kingdoms fell. Solomon's reign (c. 970-930 BCE) represented Israel's golden age of

peace and prosperity.

Ancient Near Eastern kingship ideology viewed kings as divine representatives responsible for maintaining cosmic order through right worship. Archaeological discoveries from sites like Megiddo, Hazor, and Samaria confirm the historical reliability of 1 Kings' descriptions of building projects and administrative structures.
