Authorized King James Version (KJV)

And the work of the bases was on this manner: they had borders, and the borders were between the ledges:

## Analysis

---

**And the work of the bases was on this manner: they had borders, and the borders were between the ledges:**

This verse contributes to the broader narrative of temple furnishings and Solomon's palace, within the book's focus on Solomon's wisdom, temple building, and tragic apostasy.

The Hebrew text reveals nuances important for understanding this passage's contribution to 1 Kings' theological message about kingship, covenant, and faithfulness to Yahweh. This verse demonstrates the consequences when God's people—especially their leaders—either follow or forsake the covenant established at Sinai.

## Historical Context

---

First Kings was written during or after the Babylonian exile (6th century BCE), reflecting on the monarchy period (10th-9th centuries BCE) to explain why the kingdoms fell. Solomon's reign (c. 970-930 BCE) represented Israel's golden age of peace and prosperity.

Ancient Near Eastern kingship ideology viewed kings as divine representatives responsible for maintaining cosmic order through right worship. Archaeological discoveries from sites like Megiddo, Hazor, and Samaria confirm the historical

reliability of 1 Kings' descriptions of building projects and administrative structures.
