

1 Samuel 10:6

Authorized King James Version (KJV)

And the Spirit of the LORD will come upon thee, and thou shalt prophesy with them, and shalt be turned into another man.

Analysis

And the Spirit of the LORD will come upon thee, and thou shalt prophesy with them, and shalt be turned into another man.

This verse marks a pivotal moment in redemptive history as Samuel predicts the Spirit's empowerment of Israel's first king. The Hebrew 'tsalach' (come upon) implies a rushing or overwhelming force, the same word used of Samson (Judges 14:6, 19; 15:14). Unlike the permanent indwelling believers experience under the New Covenant, Old Testament Spirit empowerment was typically temporary and task-specific. The phrase 'turned into another man' (nehepakta le'ish acher) indicates genuine transformation, not mere external change. This raises profound questions about Saul's later apostasy: how could one so transformed fall so far? Reformed theology recognizes that powerful spiritual experiences do not guarantee persevering faith; only God's electing grace preserves His chosen ones. Saul's prophesying authenticated his divine calling publicly, yet his subsequent history warns that spiritual gifts are not evidence of saving grace.

Historical Context

Spirit empowerment in the Old Testament typically enabled leaders for specific tasks: Moses for leadership, Bezalel for craftsmanship, judges for deliverance, and now Saul for kingship. The prophesying likely involved ecstatic praise and

proclamation rather than predictive prophecy, similar to the seventy elders in Numbers 11:25.
