

# 1 Samuel 2:12

Authorized King James Version (KJV)

Now the sons of Eli were sons of Belial; they knew not the LORD.

## Analysis

---

The narrator's characterization of Eli's sons is devastating: 'sons of Belial' indicates complete worthlessness and wickedness. More shocking: 'they knew not the LORD.' These are priests, officiating at Israel's central sanctuary, yet they have no personal relationship with the God they supposedly serve. The Hebrew *yada'* (to know) implies intimate, experiential knowledge - they performed religious duties without genuine faith. Institutional position provides no substitute for personal covenant relationship. Many who serve in religious roles may be equally devoid of true spiritual knowledge.

## Historical Context

---

The title 'sons of Belial' appears throughout the Old Testament for thoroughly wicked individuals (Deuteronomy 13:13; Judges 19:22; 1 Kings 21:10). Its use for priests at the central sanctuary represents the ultimate indictment of institutional corruption.
