

# 1 Samuel 2:9

Authorized King James Version (KJV)

He will keep the feet of his saints, and the wicked shall be silent in darkness; for by strength shall no man prevail.

## Analysis

---

Hannah's prophetic vision turns to God's protective care for His own. 'Keeping the feet' of saints implies guiding their path and preventing stumbling. The Hebrew chasidim (saints, faithful ones) describes those in covenant relationship with God. In contrast, the wicked shall be 'silent in darkness' - silenced in judgment and condemned to the shadowy realm of death. The crucial statement 'by strength shall no man prevail' returns to Hannah's core theme: human power cannot ultimately succeed against divine purposes. Victory belongs to God alone.

## Historical Context

---

The term chasidim later becomes a significant designation for the pious in Israel, eventually giving name to the Hasidic movement. In context, it describes those who, like Hannah, maintain covenant faithfulness despite difficult circumstances.
