

2 Corinthians 2:7

Authorized King James Version (KJV)

So that contrariwise ye ought rather to forgive him, and comfort him, lest perhaps such a one should be swallowed up with overmuch sorrow.

Analysis

Ye ought rather to forgive him, and comfort him—Paul employs two imperatives: *charisasthai* (χαρίσασθαι, "to forgive, show grace") and *parakalesai* (παρακαλέσαι, "to comfort, encourage"). The verb *charizomai* shares its root with *charis* (grace), indicating forgiveness is a gracious gift, not earned merit. Having disciplined, the church must now actively restore—forgiveness requires intentional comfort, not merely ceasing hostility.

Lest perhaps such a one should be swallowed up with overmuch sorrow—The verb *katapothē* (καταποθῆ, "to swallow up, overwhelm") suggests drowning or complete engulfment. The phrase *perissotera lupē* (περισσότερα λύπη, "excessive sorrow") warns of despair leading to spiritual destruction. Unrelenting discipline can drive the repentant to abandon faith entirely. Satan's goal (v. 11) is accomplished whether through unrepentant sin or through excessive grief that destroys the penitent. Paul's pastoral wisdom recognizes both dangers.

Historical Context

Roman legal practice often demanded perpetual shame for certain offenses. Paul's insistence on restoration after repentance reflects Hebrew concepts of restoration (as in Psalm 51) rather than Greco-Roman honor codes. The church operates by grace, not shame-based social control.
