

2 Corinthians 7:5

Authorized King James Version (KJV)

For, when we were come into Macedonia, our flesh had no rest, but we were troubled on every side; without were fightings, within were fears.

Analysis

For, when we were come into Macedonia, our flesh had no rest—Elthontōn gar hēmōn eis Makedonian oudemia eschēken anesin hē sarx hēmōn (ἐλθόντων γὰρ ἡμῶν εἰς Μακεδονίαν οὐδεμίαν ἔσχηκεν ἄνεσιν ἡ σὰρξ ἡμῶν, "when we came to Macedonia, our flesh had no relief"). Anesis (ἄνεσις, "relief/relaxation") appears in 2:13 where Paul had 'no rest in spirit' awaiting Titus. Here sarx ("flesh") emphasizes physical and emotional exhaustion—not sinful nature but human frailty.

But we were troubled on every side; without were fightings, within were fears—En panti thlibomenoi (ἐν παντὶ θλιβόμενοι, "afflicted in every way"). Exōthen machai (ἔξωθεν μάχαι, "external conflicts")—possibly persecution, opposition from false apostles, or civic hostility. Esōthen phoboi (ἔσωθεν φόβοι, "internal fears")—anxiety about Corinth's response, personal safety, ministry fruitfulness. Paul's transparency about apostolic weakness undermines triumphalist theology: even extraordinary servants experience crushing pressure.

Historical Context

Macedonia (northern Greece) included Philippi, Thessalonica, and Berea. Paul had planted churches there (Acts 16-17) and received financial support from Philippi (Phil 4:15-16). Yet even in friendly territory, Paul faced exhaustion from travel, ongoing persecution (1 Thess 2:14-16), and emotional burden for multiple

churches. His vulnerability counters the 'super-apostles' who projected invincible confidence (11:5, 12-13).

Related Passages

John 15:13 — Greatest form of love

1 John 4:8 — God is love

Study Questions

1. How does Paul's honest admission of 'no rest' and 'fears' give permission for Christian leaders to acknowledge their own struggles?
2. What 'external conflicts' and 'internal fears' am I facing, and who have I allowed to comfort me (as Titus comforted Paul)?
3. How do I respond when spiritual leaders show human weakness—with contempt or compassion?
