Authorized King James Version (KJV)

And he was with her hid in the house of the LORD six years.
And Athaliah did reign over the land.

Analysis

And he was with her hid in the house of the LORD six years. And Athaliah did reign over the land.

This verse contributes to the overall theme of chapter 11: Preservation of Davidic line and covenant faithfulness. The divine name emphasizes Yahweh's covenant relationship with Israel and His sovereign control over historical events. This passage occurs during the decline toward Israel's exile, demonstrating how persistent covenant unfaithfulness leads to national disaster.

The narrative demonstrates God's justice in judging covenant unfaithfulness while maintaining His ultimate purposes for redemption.

Historical Context

Historical Setting: 2 Kings 11 takes place during the declining years of the northern kingdom, 8th century BCE, culminating in exile in 722 BCE. The chapter's theme (Athaliah's Usurpation and Downfall) reflects the historical reality of progressive political instability and external threats, particularly from Aram (Syria) and later Assyria. Archaeological evidence from this period includes royal inscriptions, administrative documents, and material culture that corroborate the biblical account while providing additional context for understanding the political and social dynamics at work.
