

2 Kings 15:6

Authorized King James Version (KJV)

And the rest of the acts of Azariah, and all that he did, are they not written in the book of the chronicles of the kings of Judah?

Analysis

And the rest of the acts of Azariah, and all that he did, are they not written in the book of the chronicles of the kings of Judah?

This verse contributes to the overall theme of chapter 15: Political chaos reveals spiritual bankruptcy. The reference to kingship reminds readers that all human authority is subordinate to God's ultimate kingship. This passage occurs during the decline toward Israel's exile, demonstrating how persistent covenant unfaithfulness leads to national disaster.

The narrative demonstrates God's justice in judging covenant unfaithfulness while maintaining His ultimate purposes for redemption.

Historical Context

Historical Setting: 2 Kings 15 takes place during the declining years of the northern kingdom, 8th century BCE, culminating in exile in 722 BCE. The chapter's theme (Rapid Succession and Instability) reflects the historical reality of progressive political instability and external threats, particularly from Aram (Syria) and later Assyria. Archaeological evidence from this period includes royal inscriptions, administrative documents, and material culture that corroborate the biblical account while providing additional context for understanding the political and social dynamics at work.
