

2 Kings 16:19

Authorized King James Version (KJV)

Now the rest of the acts of Ahaz which he did, are they not written in the book of the chronicles of the kings of Judah?

Analysis

Now the rest of the acts of Ahaz which he did, are they not written in the book of the chronicles of the kings of Judah?

This verse contributes to the overall theme of chapter 16: Desperate alliances and religious compromise. The reference to kingship reminds readers that all human authority is subordinate to God's ultimate kingship. This passage occurs during the decline toward Israel's exile, demonstrating how persistent covenant unfaithfulness leads to national disaster.

The narrative demonstrates God's justice in judging covenant unfaithfulness while maintaining His ultimate purposes for redemption.

Historical Context

Historical Setting: 2 Kings 16 takes place during the declining years of the northern kingdom, 8th century BCE, culminating in exile in 722 BCE. The chapter's theme (Ahaz's Apostasy) reflects the historical reality of desperate political alliances and religious syncretism as Judah faced external threats. Archaeological evidence from this period includes royal inscriptions, administrative documents, and material culture that corroborate the biblical account while providing additional context for understanding the political and social dynamics at work.
