

2 Kings 21:22

Authorized King James Version (KJV)

And he forsook the LORD God of his fathers, and walked not in the way of the LORD.

Analysis

And he forsook the LORD God of his fathers, and walked not in the way of the LORD.

This verse contributes to the overall theme of chapter 21: Unprecedented wickedness brings irreversible judgment. The divine name emphasizes Yahweh's covenant relationship with Israel and His sovereign control over historical events. In Judah's later history, we see both genuine reforms and deep-rooted corruption, revealing that external religious activity cannot substitute for heart transformation.

The narrative demonstrates God's justice in judging covenant unfaithfulness while maintaining His ultimate purposes for redemption.

Historical Context

Historical Setting: 2 Kings 21 takes place during the final century of Judah's existence, 7th century BCE, including Manasseh and Josiah's reigns. The chapter's theme (Manasseh and Amon's Evil Reigns) reflects the historical reality of the worst apostasy under Manasseh followed by the most thorough reforms under Josiah, demonstrating that external righteousness cannot reverse God's determined judgment. Archaeological evidence from this period includes royal inscriptions, administrative documents, and material culture that corroborate the

biblical account while providing additional context for understanding the political and social dynamics at work.
