

# 2 Samuel 14:27

Authorized King James Version (KJV)

And unto Absalom there were born three sons, and one daughter, whose name was Tamar: she was a woman of a fair countenance.

## Analysis

**And unto Absalom there were born three sons, and one daughter, whose name was Tamar: she was a woman of a fair countenance.**

This verse contributes to the narrative of Absalom's Return, emphasizing incomplete reconciliation. Joab's elaborate scheme to restore Absalom demonstrates human wisdom that undermines divine purposes. The partial reconciliation (Absalom returns but doesn't see David's face) proves insufficient for genuine restoration. Theological themes include the inadequacy of human reconciliation methods apart from genuine repentance, the danger of manipulation even for apparently good ends, and the necessity of complete rather than partial restoration.

## Historical Context

The historical setting of 2 Samuel 14 occurs during David's reign (circa 1010-970 BCE) over Israel's united monarchy. Archaeological discoveries, including the Tel Dan inscription mentioning the 'House of David,' corroborate biblical historicity. Ancient Near Eastern customs regarding incomplete reconciliation provide crucial background. The geopolitical situation involved regional powers—Philistines, Ammonites, Arameans, Moabites, Edomites—as David consolidated and expanded Israel's territory. Cultural practices concerning kingship, warfare, covenant relationships, family dynamics, and religious observance differed significantly from

modern Western contexts, requiring careful attention to avoid anachronistic interpretation while extracting timeless theological principles applicable across cultures and eras.
