## Analysis

---

**And the sixth, Ithream, by Eglah David's wife. These were born to David in Hebron.**

This verse contributes to the narrative of Abner's Defection and Death, emphasizing political maneuvering, revenge consequences. This chapter illustrates the complexity of political transition and personal revenge. Abner's defection using covenant language (brit, בְּרִית) contrasts with Joab's treacherous murder, demonstrating how personal vengeance undermines national purposes. The text develops themes of legitimate vs illegitimate authority, the corrupting power of revenge, and maintaining integrity when others act unethically.

## Historical Context
