

Acts 13:6

Authorized King James Version (KJV)

And when they had gone through the isle unto Paphos, they found a certain sorcerer, a false prophet, a Jew, whose name was Bar-jesus:

Analysis

A certain sorcerer, a false prophet, a Jew, whose name was Bar-jesus (μάγον ψευδοπροφήτην Ἰουδαῖον ᾧ ὄνομα Βαριησοῦ, *magon pseudoprophētēn Ioudaion hō onoma Bariēsou*)—Bar-jesus ('son of Jesus/Joshua') ironically bears a messianic name while opposing the true Jesus. Luke's triple description (μάγον, sorcerer; ψευδοπροφήτην, false prophet; Ἰουδαῖον, Jew) emphasizes the tragedy: a covenant member trading divine revelation for occult power. Paphos, Cyprus's western capital, was notorious for immorality and superstition.

The conjunction of Jewish identity with sorcery recalls Simon Magus (Acts 8:9-24) and anticipates the sons of Sceva (19:13-16). Satan's strategy consistently infiltrates religious leadership to block gospel advance.

Historical Context

First-century Cyprus was dominated by the cult of Aphrodite centered in Paphos. Jewish magicians were common throughout the Roman Empire, blending Torah knowledge with Hellenistic occultism. Sergius Paulus (v. 7) as proconsul represented Roman governance of the senatorial province.

Related Passages

Matthew 25:31 — Final judgment

Revelation 20:12 — Judgment according to deeds

Study Questions

1. How does religious pedigree (being Jewish) fail to protect against deception when divorced from genuine faith?
2. What modern equivalents of Bar-jesus—religious practitioners using spiritual language for personal power—threaten gospel witness?
