

Acts 19:10

Authorized King James Version (KJV)

And this continued by the space of two years; so that all they which dwelt in Asia heard the word of the Lord Jesus, both Jews and Greeks.

Analysis

'This continued by the space of two years; so that all they which dwelt in Asia heard the word of the Lord Jesus, both Jews and Greeks.' Two years of daily teaching in Tyrannus's hall evangelized the entire province. From Ephesus, disciples carried the gospel throughout Asia Minor, planting the seven churches of Revelation 2-3. Concentrated teaching in strategic locations catalyzes regional evangelism.

Historical Context

During these two years (AD 54-56), churches were planted in Colossae, Laodicea, Hierapolis, and likely Smyrna, Pergamum, Thyatira, Sardis, and Philadelphia. Ephesus became the hub for Asian Christianity.

Study Questions

1. How does concentrated teaching in one location enable regional impact?

2. What makes a location strategic for gospel influence?
3. How can we maximize gospel spread through training disciples who plant churches?
