

# Acts 21:6

Authorized King James Version (KJV)

And when we had taken our leave one of another, we took ship; and they returned home again.

## Analysis

---

**When we had taken our leave** (ἀσπάζομαι, *aspázomai*)—The Greek conveys affectionate farewell between believers who may never meet again on earth. The pattern of 'we took ship; and they returned home again' captures the bittersweet reality of Christian mission—some are called to go, others to stay and sustain home communities. Both callings serve God's kingdom purposes, neither superior to the other. This verse exemplifies the mutual love and painful partings that characterized early church relationships.

## Historical Context

---

Maritime travel in the first century involved significant risk and uncertainty. Farewells like this carried weight because shipwreck, piracy, or persecution could mean permanent separation. The Tyrian believers' return 'home' suggests stable Christian community established in their city.

## Study Questions

---

1. How do you view the calling to 'stay and sustain' versus the calling to 'go and pioneer' in kingdom work?
2. What does this passage teach about maintaining meaningful Christian fellowship despite geographic separation?
