

Acts 28:9

Authorized King James Version (KJV)

So when this was done, others also, which had diseases in the island, came, and were healed:

Analysis

So when this was done (τούτου δὲ γενομένου)—Publius' father's healing becoming known—**others also, which had diseases in the island, came, and were healed** (ἐθεραπεύοντο). The imperfect tense 'etherapeuonto' suggests repeated, ongoing healings over three months (v. 11). This brief summary describes extensive ministry: Paul used forced delay on Malta for gospel proclamation through healing mercy. The pattern mirrors Jesus' ministry where physical healing authenticated spiritual truth. Malta's entire population (likely 10,000-15,000) would have heard of Paul's God. What seemed like shipwreck disaster became strategic missionary opportunity—divine providence redirecting Paul's journey to reach an island otherwise off his itinerary.

Historical Context

Malta's small size (122 square miles) meant news traveled quickly throughout the island. The three-month winter stay gave unprecedented time for ministry. Malta had no previous Christian presence, making Paul's shipwreck the gospel's first arrival on this strategic Mediterranean island.
