

Acts 8:18

Authorized King James Version (KJV)

And when Simon saw that through laying on of the apostles' hands the Holy Ghost was given, he offered them money,

Analysis

Simon saw that 'through laying on of the apostles' hands the Holy Ghost was given' - indicating visible manifestation. His response reveals an unregenerate heart: he viewed the Spirit's gift as purchasable power for personal gain. This exposes the sin of simony (buying spiritual office/power) and demonstrates that external religious profession doesn't guarantee internal transformation. Reformed theology sees Simon's mercenary spirit as evidence he was never truly converted - faith seeks God's glory, not personal advancement or power.

Historical Context

This incident gave rise to the term 'simony' - the buying or selling of church office or spiritual benefits. Medieval church corruption through selling indulgences and offices traces conceptually to Simon's error.
