

# Acts 9:1

Authorized King James Version (KJV)

And Saul, yet breathing out threatenings and slaughter against the disciples of the Lord, went unto the high priest,

## Analysis

---

Saul, 'yet breathing out threatenings and slaughter,' actively persecuted Christians with murderous intent. The Greek *empneon* (breathing) suggests this was his very atmosphere - persecution consumed him. He sought letters from the high priest authorizing arrests in Damascus, showing organized, official persecution. From a Reformed perspective, this establishes Saul as the quintessential example of God's sovereign, irresistible grace - transforming the church's greatest enemy into its greatest missionary. No sinner is too far gone for God's electing love.

## Historical Context

---

Damascus had a significant Jewish population and likely an emerging Christian community. Saul's journey (140 miles from Jerusalem) circa AD 34-35 to extend persecution beyond Judea shows the threat Christianity posed to traditional Judaism.
