

# Daniel 11:19

Authorized King James Version (KJV)

Then he shall turn his face toward the fort of his own land:  
but he shall stumble and fall, and not be found.

## Analysis

---

Antiochus III's return to his own land and eventual death (187 BC) while plundering a temple in Elam fulfilled this verse. The phrase 'he shall stumble and fall, and not be found' describes his sudden death ending his ambitious reign.

## Historical Context

---

Daniel chapter 11 contains some of Scripture's most detailed predictive prophecy, written c. 536 BC and fulfilled with remarkable precision 200-160 BC during Ptolemaic-Seleucid conflicts. The prophecies served multiple purposes: encouraging Jewish exiles that God controls history, providing roadmap for future generations facing Hellenistic pressures, and typologically pointing to end-times Antichrist. Reformed theology sees dual fulfillment: near historical events (Antiochus Epiphanes) typifying far eschatological realities (final Antichrist). This pattern validates divine inspiration—only God knows future details with such precision. For believers under persecution, these prophecies demonstrated that tyrannical opposition is temporary, God's sovereignty absolute, and ultimate victory certain. The historical fulfillment encourages trust that eschatological promises will similarly fulfill exactly as prophesied.

## Study Questions

---

1. How does the remarkable precision of fulfilled prophecy strengthen faith in Scripture's divine origin?
2. What does the dual fulfillment pattern (historical Antiochus typifying eschatological Antichrist) teach about biblical prophecy's layered meaning?
3. How should these prophecies encourage believers facing persecution or opposition today?
