

Deuteronomy 16:5

Authorized King James Version (KJV)

Thou mayest not sacrifice the passover within any of thy gates, which the LORD thy God giveth thee:

Analysis

And there shall be no leavened bread seen with thee in all thy coast seven days. The comprehensive removal of leaven required thorough searching of all Israelite territory. This total purging symbolized complete separation from sin and corruption.

The phrase no leavened bread seen with thee indicates not private tolerance of leaven but public, visible commitment to unleavened observance. Covenant obedience was community practice, not merely private piety. The whole nation participated in symbolic purification.

Seven days of unleavened eating extended beyond the single Passover night to a full week of memorial. This duration impressed upon Israel the comprehensive nature of their separation from Egypt and commitment to holiness.

Paul applies this spiritually - Therefore let us keep the feast, not with old leaven...but with the unleavened bread of sincerity and truth (1 Corinthians 5:8). Christian life should be continuous Passover observance through genuine holiness.

Historical Context

The seven-day Feast of Unleavened Bread began immediately after Passover evening and continued through the following week. This combined observance became one of Israel's three pilgrimage festivals when all males appeared before

the Lord at the central sanctuary.

Meticulous removal of all leaven from homes required searching by candlelight to ensure complete purification, creating powerful visual lesson about thorough dealing with sin.
