

# Deuteronomy 5:18

Authorized King James Version (KJV)

Neither shalt thou commit adultery.

## Analysis

---

The seventh commandment 'Neither shalt thou commit adultery' protects marriage covenant and sexual purity. Adultery violates the one-flesh union (Genesis 2:24), betrays covenant vows, and distorts God's design for human sexuality within marriage. This command upholds marriage as sacred, reflecting Christ's relationship with His church (Ephesians 5:25-32). Jesus expands this to prohibit lustful thoughts (Matthew 5:27-28), showing sexual purity begins in the heart. The Reformed tradition applies this broadly to all sexual immorality, defending marriage as covenantal, permanent, and exclusively heterosexual.

## Historical Context

---

Ancient Near Eastern cultures tolerated various sexual practices Israel's law prohibited: temple prostitution, polygamy's abuses, and adultery (though penalties existed). Israel's law prescribed death for adultery (Leviticus 20:10, Deuteronomy 22:22), emphasizing covenant marriage's sanctity. Prophets used adultery metaphorically for Israel's spiritual unfaithfulness (Hosea 1-3, Jeremiah 3, Ezekiel 16). Jesus' mercy toward the adulteress (John 8:1-11) demonstrated grace while upholding the law's standard ('sin no more').
