

# Deuteronomy 9:24

Authorized King James Version (KJV)

Ye have been rebellious against the LORD from the day that I knew you.

## Analysis

---

**Ye have been rebellious against the LORD from the day that I knew you.** Moses' sweeping indictment summarizes Israel's entire history - continuous rebellion characterized their relationship with God from the beginning. This statement exposes human sinfulness and divine patience.

The phrase from the day that I knew you covers the period from the exodus through the wilderness wandering. Throughout this time, despite seeing unprecedented miracles and receiving extraordinary provision, Israel persistently rebelled. This reveals that external religious privilege does not produce internal righteousness.

This universal condemnation anticipates Paul's teaching that all have sinned and fall short of God's glory (Romans 3:23). Israel's pattern mirrors all humanity's rebellion - given knowledge of God and His law, people nevertheless persist in sin. This drives home the necessity of God's transforming grace.

Yet God's preservation of rebellious Israel demonstrates covenant faithfulness. Despite their persistent rebellion, God did not utterly forsake them but continued working His redemptive purposes through them toward the coming of Christ.

## Historical Context

---

Moses speaks this on the plains of Moab shortly before his death and Israel's entrance to Canaan. Looking back over forty years of wilderness wandering, he can identify no period of consistent faithfulness - only continuous rebellion punctuated by occasional repentance.

This honest historical assessment served to humble the second generation and prevent presumption as they entered the land.
