

# Ecclesiastes 6:11

Authorized King James Version (KJV)

Seeing there be many things that increase vanity, what is man the better?

## Analysis

**Seeing there be many things that increase vanity** (פֶּן יִשְׁדֹּבְרִים בְּרָבָה מְרַבִּים בָּל) —The Hebrew structure emphasizes multiplication: 'many words multiplying vapor.' More talking, philosophizing, and human effort only compounds futility. **What is man the better?** (עַמָּה יִתְּר לְאַתָּם) —Again the question of yōtēr, 'profit' or 'advantage.'

This anticipates Jesus's warning: 'Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven' (Matt 7:21). Mere words—even religious words—profit nothing without divine grace. James 1:22 similarly warns against being 'hearers only' who multiply words without obedient action.

## Historical Context

Ancient Near Eastern wisdom valued concise, memorable sayings (as in Proverbs). The Preacher's critique of multiplied words reflects frustration with verbose philosophy that obscures rather than reveals truth. Greek philosophy, which later dominated the Mediterranean world, would prove his point.
