

# Exodus 10:17

Authorized King James Version (KJV)

Now therefore forgive, I pray thee, my sin only this once, and intreat the LORD your God, that he may take away from me this death only.

## Analysis

Verse 17 describes the locust plague, targeting Osiris (agriculture god) and Isis (grain goddess). Moses warns locusts will 'cover the face of the earth' and devour everything the hail left. Pharaoh's servants beg him to relent, recognizing Egypt's destruction.

## Historical Context

Osiris ruled agriculture and resurrection, while Isis protected crops. Locusts were ancient Near Eastern terror, but this swarm's density exceeded natural plague. The total devastation left Egypt economically ruined.
