

Exodus 10:9

Authorized King James Version (KJV)

And Moses said, We will go with our young and with our old, with our sons and with our daughters, with our flocks and with our herds will we go; for we must hold a feast unto the LORD.

Analysis

Verse 9 describes the locust plague, targeting Osiris (agriculture god) and Isis (grain goddess). Moses warns locusts will 'cover the face of the earth' and devour everything the hail left. Pharaoh's servants beg him to relent, recognizing Egypt's destruction.

Historical Context

Osiris ruled agriculture and resurrection, while Isis protected crops. Locusts were ancient Near Eastern terror, but this swarm's density exceeded natural plague. The total devastation left Egypt economically ruined.
