

Exodus 12:38

Authorized King James Version (KJV)

And a mixed multitude went up also with them; and flocks, and herds, even very much cattle.

Analysis

The 'mixed multitude' (erev rav, כְּבָנָה עֲרָב) were non-Israelites—Egyptians and others who joined the exodus after witnessing God's power. Their inclusion shows redemption extends beyond ethnic Israel to all who believe. The 'flocks, and herds, even very much cattle' represent wealth and provision for the journey. This mixed assembly prefigures the church—Jews and Gentiles united in faith.

Historical Context

Mixed multitudes often caused problems (Numbers 11:4), yet God permitted them to join. This demonstrates that covenant membership came through faith and identification with Israel, not pure bloodline.
