

Exodus 13:11

Authorized King James Version (KJV)

And it shall be when the LORD shall bring thee into the land of the Canaanites, as he sware unto thee and to thy fathers, and shall give it thee,

Analysis

The promise 'when the LORD shall bring thee into the land of the Canaanites' reiterates the covenant oath 'as he sware unto thee and to thy fathers.' This grounds confidence not in Israel's merit but God's faithfulness to promises made to Abraham, Isaac, and Jacob. Divine oath-keeping guarantees fulfillment regardless of circumstances. God's character, not human performance, secures covenant promises.

Historical Context

The original promises to the patriarchs (Genesis 12:7, 26:3, 28:13) are now being fulfilled 400+ years later. God's faithfulness spans generations.
