

Exodus 19:1

Authorized King James Version (KJV)

In the third month, when the children of Israel were gone forth out of the land of Egypt, the same day came they into the wilderness of Sinai.

Analysis

In the third month, when the children of Israel were gone forth out of the land of Egypt, the same day came they into the wilderness of Sinai.

The third month (Sivan) marks Israel arriving at Sinai exactly fifty days after Passover—the same timing as Pentecost, when the Spirit would write the law on hearts rather than tablets. The Hebrew phrase 'bayom hazeh' (on this very day) emphasizes divine precision: God's redemptive schedule is exact. The wilderness of Sinai (מִדְבַּר סִינַי, midbar Sinai) becomes the birthplace of Israel as a covenant nation. Just as the exodus delivered them FROM slavery, Sinai will constitute them FOR God's purposes—a kingdom of priests mediating His presence to the world.

Historical Context

Written approximately three months after the exodus from Egypt (circa 1446 BC traditional dating). Mount Sinai's exact location is debated, but the traditional site in the southern Sinai Peninsula has been revered since the 4th century AD. The wilderness setting emphasizes Israel's total dependence on God's provision.

Study Questions

1. How does the precise timing of Israel's arrival demonstrate God's sovereignty over redemptive history?
2. What does the wilderness setting teach about the conditions necessary for receiving God's revelation?
