

# Exodus 25:36

Authorized King James Version (KJV)

Their knops and their branches shall be of the same: all it shall be one beaten work of pure gold.

## Analysis

---

All of one piece—'knops and their branches shall be of the same.' The entire lampstand is hammered from a single piece of gold, not assembled from separate parts. This unity prefigures the church's organic connection to Christ—not an organization of independent members but a living organism sharing one life. As Christ is pure light, all deriving light from Him share His essential nature (1 John 1:5-7).

## Historical Context

---

Creating the lampstand required extraordinary skill, hammering solid gold into intricate form without joints or seams. The one-piece construction meant nothing could become detached or separated—the lampstand's unity was permanent and complete.
