

Exodus 26:12

Authorized King James Version (KJV)

And the remnant that remaineth of the curtains of the tent, the half curtain that remaineth, shall hang over the backside of the tabernacle.

Analysis

The remnant or extra half-curtain hangs over the tabernacle's back. God's provision includes margin—not merely adequate but abundant. The overlap ensures complete coverage with no gaps. This abundance prefigures Christ's excessive provision—grace 'exceeding abundantly above all we ask or think' (Ephesians 3:20). God doesn't provide bare minimum but generous overflow.

Historical Context

The eleventh curtain (half of which formed the doubled front, half extending behind) created additional coverage at the rear, protecting the most holy place. This ensured the tabernacle had no vulnerable points where weather could penetrate.
