

# Exodus 26:32

Authorized King James Version (KJV)

And thou shalt hang it upon four pillars of shittim wood overlaid with gold: their hooks shall be of gold, upon the four sockets of silver.

## Analysis

The veil hangs on four golden hooks upon four pillars of acacia wood overlaid with gold, standing on silver sockets. Four suggests universality—this veil concerns all humanity. The pillars combine wood (humanity) and gold (deity), standing on silver (redemption), supporting the veil that represents Christ's flesh. His humanity, unified with deity, resting on redemptive purpose, provided the veil through which we enter God's presence.

## Historical Context

These four pillars stood in a line across the tabernacle's width, supporting the veil that blocked visual and physical access to the Most Holy Place. The golden hooks enabled the veil to hang securely while the silver sockets ensured stability.

## Study Questions

---

1. How do the four pillars (universality) show Christ's veil-work applies to all humanity?
2. What does the veil's support system (wood, gold, silver) teach about Christ's qualification as mediator?
