

# Exodus 29:12

Authorized King James Version (KJV)

And thou shalt take of the blood of the bullock, and put it upon the horns of the altar with thy finger, and pour all the blood beside the bottom of the altar.

## Analysis

---

The burnt offering represents complete dedication to God—the entire animal consumed by fire, ascending as sweet savor to the LORD. This prefigures Christ's total self-offering, holding nothing back, His life completely devoted to God's glory. The fire consuming the offering pictures divine acceptance—God receives Christ's sacrifice with pleasure. Our worship, offered through Christ, also ascends as fragrant offering acceptable to God.

## Historical Context

---

The burnt offering (עֹלָה, olah, 'that which ascends') was one of Israel's primary sacrifices, representing voluntary dedication to God. Unlike sin offerings (which addressed guilt), burnt offerings expressed worshipful consecration.

## Study Questions

1. How did Christ give Himself 'completely' (burnt offering) rather than partially?
2. What does it mean that your worship ascends to God 'through Christ'?
