

# Exodus 29:25

Authorized King James Version (KJV)

And thou shalt receive them of their hands, and burn them upon the altar for a burnt offering, for a sweet savour before the LORD: it is an offering made by fire unto the LORD.

## Analysis

---

The consecration ram's blood applied to Aaron's right ear, thumb, and toe symbolizes that priests must hear God's word (ear), act on it (thumb/hand), and walk in it (toe/foot). Blood application sanctifies these members for holy service. Christ's blood sanctifies our hearing, working, and walking—our complete life consecrated through His atonement. The right side emphasizes the place of honor and strength.

## Historical Context

---

The blood application ceremony was unique to priestly consecration, marking the priests as blood-sanctified for service. This visible sign testified to their cleansing and separation for God's purposes.
