

# Exodus 34:22

Authorized King James Version (KJV)

And thou shalt observe the feast of weeks, of the firstfruits of wheat harvest, and the feast of ingathering at the year's end.

## Analysis

---

The Feast of Weeks (שָׁבֻעָת, shavuot—Pentecost) celebrates the wheat harvest seven weeks after Passover, offering firstfruits (בְּכֹרִים, bikkurim) to God. The Feast of Ingathering (אָסֵף, asip—Tabernacles/Sukkot) concludes the agricultural year with fall harvest. Both feasts acknowledge God as provider and sustainer. Pentecost later commemorates giving the Law (Jewish tradition) and outpouring of the Spirit (Acts 2).

## Historical Context

---

These festivals formed the agricultural and liturgical calendar. Feast of Weeks occurred during wheat harvest (May-June); Feast of Ingathering during fruit/olive harvest (September-October). All three pilgrimage feasts required male attendance at the central sanctuary.
