

Exodus 34:25

Authorized King James Version (KJV)

Thou shalt not offer the blood of my sacrifice with leaven;
neither shall the sacrifice of the feast of the passover be left
unto the morning.

Analysis

Firstfruits (בְּכֻרִים רִאשִׁית, bikkurim reishit) of the land must be brought to God's house, acknowledging Him as source of all blessing and giving Him priority. The command not to 'seethe a kid in his mother's milk' prohibits a Canaanite fertility ritual that perverted natural relationships. This command separates Israel's worship from pagan practice and later becomes the basis for kosher laws separating meat and dairy.

Historical Context

Archaeological discoveries at Ugarit (ancient Syria) reference boiling kids in milk as a Canaanite religious practice meant to ensure fertility. The command repeated three times in Torah (also Ex 23:19, Deut 14:21) emphasizes its importance.
