

Exodus 9:18

Authorized King James Version (KJV)

Behold, to morrow about this time I will cause it to rain a very grievous hail, such as hath not been in Egypt since the foundation thereof even until now.

Analysis

Verse 18 describes the plague of hail with fire, targeting Nut (sky goddess) and Seth (storm god). This unprecedented storm combines hail and fire, destroying crops and livestock left in fields. God reveals 'there is none like me in all the earth' (v.14).

Historical Context

Nut, sky goddess, arched over earth as protective dome. Seth controlled storms and chaos. The storm's supernatural nature—fire and ice together—proves divine origin. Only those who 'feared the word of the LORD' (v.20) saved their livestock.
