

# Ezekiel 18:8

Authorized King James Version (KJV)

He that hath not given forth upon usury, neither hath taken any increase, that hath withdrawn his hand from iniquity, hath executed true judgment between man and man,

## Analysis

'He that hath not given forth upon usury, neither hath taken any increase.' Charging interest to fellow Israelites was forbidden (Exodus 22:25, Leviticus 25:35-37, Deuteronomy 23:19-20), preventing exploitation of the poor. 'Hath withdrawn his hand from iniquity, hath executed true judgment between man and man'—the righteous person pursues justice in community relationships, settling disputes fairly rather than showing partiality.

## Historical Context

Ancient Near Eastern interest rates were often 20-50%, creating debt spirals that reduced debtors to slavery. Israel's prohibition on interest among covenant members prevented this exploitation. The principle: God's people shouldn't profit from others' desperation. True judgment (mishpat) was crucial in a society without extensive legal infrastructure.
