

Ezekiel 28:15

Authorized King James Version (KJV)

Thou wast perfect in thy ways from the day that thou wast created, till iniquity was found in thee.

Analysis

"Thou wast perfect in thy ways from the day that thou wast created, till iniquity was found in thee." This confirms that Satan was created good—evil isn't eternal or inherent but entered through willful rebellion. The phrase "till iniquity was found" indicates a transition from righteousness to sin. This demonstrates that moral evil originates in will, not nature. God created all things good (Genesis 1:31); sin is corruption of good, not an independent principle. The Reformed emphasis on God's goodness in creation and sin as privation appears here. Evil has no independent existence but parasitically corrupts the good.

Historical Context

This verse (587 BC) addresses theodicy—why does evil exist if God is good and sovereign? The answer: God created moral agents with genuine freedom to choose obedience or rebellion. Satan's fall demonstrates that even perfect environment and nature don't guarantee perseverance without grace. Lucifer in heaven chose rebellion; Adam in Eden chose disobedience. This underscores the necessity of God's preserving grace for perseverance—even unfallen creatures could fall without divine sustaining. The passage vindicates God's character while explaining evil's origin in creaturely rebellion, not divine causation.
