

# Ezekiel 30:7

Authorized King James Version (KJV)

And they shall be desolate in the midst of the countries that are desolate, and her cities shall be in the midst of the cities that are wasted.

## Analysis

Egypt would be 'desolate in the midst of countries that are desolate'—not unique in judgment but sharing the fate of other judged nations. This removes any sense of exceptional treatment. Egypt's cities would be 'in the midst of cities that are wasted,' showing comprehensive regional judgment. God's justice operates consistently across all peoples.

## Historical Context

The entire ancient Near Eastern world experienced upheaval during the Neo-Babylonian period. Babylon's conquests created a devastated landscape from Egypt to Persia, demonstrating God's comprehensive judgment of that generation.
