

Ezra 2:61

Authorized King James Version (KJV)

And of the children of the priests: the children of Habaiah, the children of Koz, the children of Barzillai; which took a wife of the daughters of Barzillai the Gileadite, and was called after their name:

Analysis

And of the children of the priests: the children of Habaiah, the children of Koz, the children of Barzillai—The genealogical crisis deepens: even priests lacked documentation. Habaiah (חַבַּיָּה) means "Yahweh has hidden," Koz (קֹז) means "thorn," and Barzillai (בַּרְזַלַּי) means "iron" or "strong."

The third family took the name of Barzillai the Gileadite through marriage (2 Samuel 19:31-39)—choosing a wealthy benefactor's name over their priestly lineage. This is Esau's bargain repeated: trading birthright for immediate advantage (Genesis 25:29-34). Priestly ministry requires uncompromised identity; those who assumed secular names forfeited sacred function. Spiritual leadership demands clear testimony to God's calling.

Historical Context

Barzillai the Gileadite was the wealthy Transjordan noble who provisioned David during Absalom's rebellion. For a priestly family to adopt his name (likely through marriage to gain inheritance rights) represented assimilation and compromise. Post-exilic Judaism strictly regulated priestly genealogy; without documentation, these families could not serve at the altar or receive priestly portions.
