

Hebrews 7:16

Authorized King James Version (KJV)

Who is made, not after the law of a carnal commandment, but after the power of an endless life.

Analysis

Christ became priest 'not after the law of a carnal commandment' (the Levitical requirement of tribal descent) but 'after the power of an endless life' (Greek 'zōes akatalytou'—indestructible life). His priesthood rests not on physical qualifications but on resurrection power. The Aaronic priesthood was 'carnal' (Greek 'sarkikos'—fleshly) in being based on physical descent; Christ's is spiritual and eternal.

Historical Context

Levitical priests qualified by birth into Levi's tribe and Aaron's line. They served until age 50 or death. Christ's priesthood, based on His resurrection life, never ends.
